Your tribunal hearing

This letter is from the Tribunal. Our job is to make decisions about which school is best for you. We don't work for any school. We make up our own minds after listening to everyone's view.

Thank you for speaking to us at the online hearing and sharing your views with us. It was very important for us to hear what you think of your school.

We have decided that you should go to school B. This is the school that your Mum wants you to go to. Our decision means that you will stop going to school A and you will go to school B with your brother.

We hope you will be happy in your new school and we wish you all the best for the future.

Yours sincerely,
